

# ✿ Catering Made Easy ✿

I've always found that ordering food for a group can be a challenge. To help make it easy, we've put together these simple steps to make sure you don't miss a beat!

## Step 1: Choose a serving style!

You can choose whichever best fits your event needs. Will it be buffet style with Party Platters where guests can make their own selections, or box lunches for the most convenient grab-and-go selections?

## Step 2: Choose your Chicks!

Now is when it gets fun! Do you want to go with our Classic Carol, or surprise people with something spicy or sweet? Select a single flavor or get a combination of your favorites, or even add in some deli sandwiches and pimento cheese for those non-chicken salad lovers. If you need suggestions, we're happy to share our most popular options with you.

## Step 3: Don't forget your fruits & vegetables!

Each of our sides are made fresh daily and are sure to satisfy even the pickiest eater at your party. You can choose between Broccoli Salad, Grape Salad, Pasta Salad, Potato Chips, and Fresh Fruit. Can't decide? Get one of each!

## Step 4: Need something sweet?

A savvy host knows a meal just isn't complete without a sweet ending. Take your pick from our buttercream frosted cookies or our decadent strawberry dessert platter and you'll please everyone!

## Step 5: Don't forget the sweet tea!

Do you have some southerners who wouldn't dare attend a party without sweet tea? Well, don't forget it then! We also have unsweet tea and lemonade available by the gallon and bottled water just in case!
